4/6/74

Dear Don,

Recard 4/3, I expect to be able to meet your plane and save you the time and cost of cabbing.

Jim will be here day after tomorrow and I'll inform him for both of them.

Unless I have trouble parking I'll be at the gate.

Should anything unexpected happen and we do not meet, I'll keep in touch with Bud's office (secretary, Warren) or Jim, whose phone is 484-6023.

I'll be clear that day until after 8 p.m., maybe close to 9.

Best regards,
